

WILLISTON CHAPEL
Easthampton, Mass.

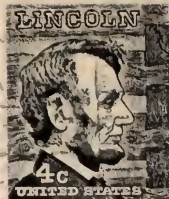

Dec 1, 1967

Dear Mrs Brennan,
Our school nurse
informs me that Tom
was admitted to the
infirmary Wednesday
morning with a non-
specific respiratory
infection. He can take
the College Boards tomorrow
morning, if he feels up
to it, but may not be
actually discharged for
another day.

Sincerely

Sarah Stevens

(Mrs Phillips Stevens)
